

LLU/DRAYSON CENTER
**BEACH
VOLLEYBALL
RULES**

1. This is a self-refereed league and is open to both men and women. If self refereed calls are questioned by the opposing team this will automatically result in a “replay” of the point. Please keep in mind the intramural mission statement listed below.

We offer either a 2 player or a 4 player format. The maximum amount of players allowed to be registered on each team is 4 players.

2. According to the schedule, teams are responsible to call each other and arrange their own times each week to play their matches. **Do not fall behind in the schedule.**
3. SERVE: When receiving a serve, any clean hit will be allowed. A “bump” or “dig” does not have to occur. Receiving team may not block or attack the serve. All players must rotate through the service position in the regular rotation order.
4. A “block” is not considered a contact by a player.
5. Player waiting to play may rotate into any position at any dead ball.
6. The ball may be played in the adjacent court only if no other game is taking place on that court. Otherwise, the ball will be declared dead as soon as it crosses the sideline of the adjacent court.
7. Two time-outs may be taken by each team per game at any time that the ball is not in play. Time-outs are 30 seconds in duration and may be called in immediate succession. Unused time-outs may not be carried over to the next game. Player substitutions will not be charged any time outs.
8. Matches will consist of best two out of three games. Each game will be played under the “Rally” scoring format (a point being scored on each volley). The team that wins the point will hold service. All games will be played to 25 points. The first team scoring 25 points will be the winners!
9. All serves that hit the net and go over will be in play.
10. All regular rules of volleyball will apply.

Intramural Mission Statement

The Loma Linda University Drayson Center offers a wide variety of sports to reach as many needs and interests as possible. In order for these sports to be successful and enjoyable for all participants, Christian sportsmanship with concern for others will always be strongly encouraged. The intramural program is not designed to emphasize who is the “Greatest” or the “Best”. Participants of all skill levels are welcome. The intramural program encourages a “competitive Christian spirit” emphasizing the *fun, fair, fitness, and friendship* attitudes of play in all of it’s programs.
