1. How do I sign up?

All Intramural participants must create an account on our website: (imleagues.com/llu)

2. How much does it cost for my team to play Intramurals?

A student team which consists of all LLU affiliates (i.e. students, spouse and teaching faculty) is FREE!! Non-student team fees vary depending on the sports. The fee will be shown at the time of registration. If a student registers a team, the fee will be waived by following these [instructions](#) . If you have any non-students on a “student” team, a \$25 fee for each non-student will be added to the captain's shopping cart and must be paid by the captain. Those players should pay their fee to the captain.

3. What divisions and leagues are offered?

We offer Division 1, which is a more competitive level and Division 2 which is designed to be less competitive. We offer Men's, Women's and Co-Rec leagues in most of our sports.

4. Can I play on more than one team?

Yes you can play on more than one team. We only request that if you are playing in Division 1, you don't play in Division 2 as we try to keep the leagues in fair and competitive balance. You must be registered on all teams you play on. You may participate in a Men's and Co-Rec league, or Women's and Co-Rec, etc.

5. Who is allowed to play Intramural sports?

Our Intramural and Recreational leagues are first priority for the LLU Students. Because the Drayson Center is open to the community, we allow non-student/community teams to participate in our leagues as well. Non-student/community teams may be screened before entry into a league.
